Cover Song Organizer PG. 2

Transcribe the drum groove of your song using the blank beat map below. Write the rhythm of the bass line using using an X for the note's attack and a line to show its duration. The note will change In the recording and/or performance of the song.
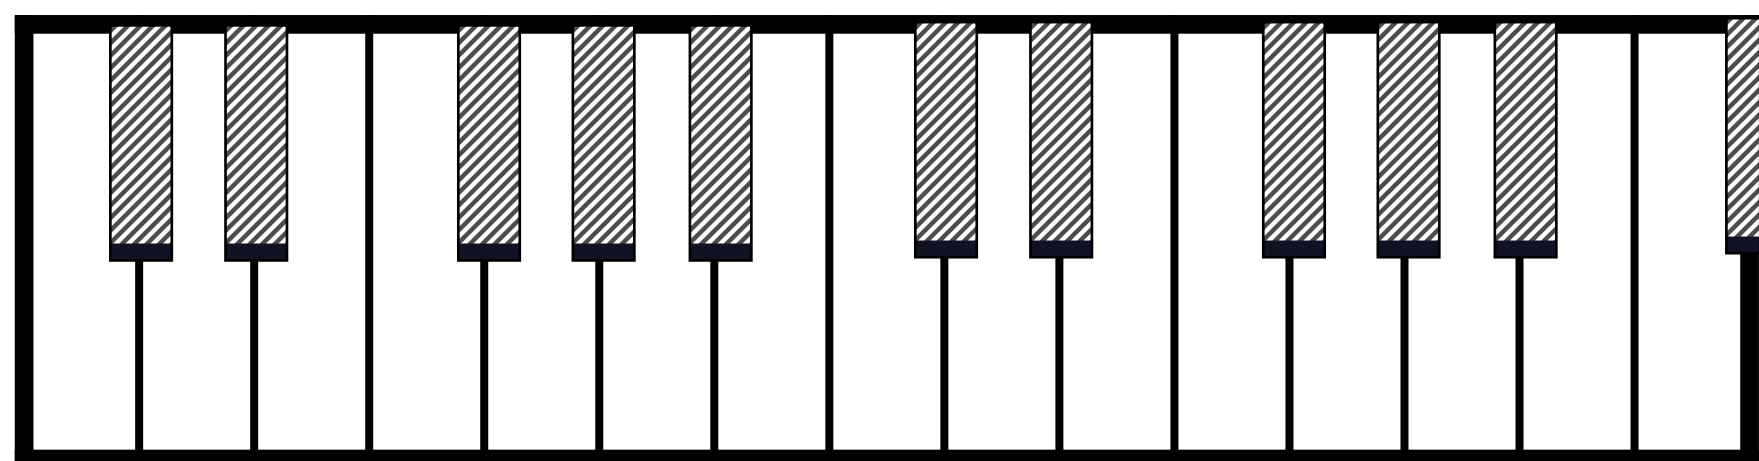

|	1	e	+	a	2	e	+	a	3	e	+	a	4	e	+	a
Hihat																
Snare																
Kick																
Bass																

Inversion Planning

Spell and invert the chords of the progression for smooth voice leading in the chart below. Use dots In the keyboard diagrams to chart note movements between chords. Not all chords will be used in every song.
