Chord	<i>D^bmaj</i>						
Scale	D^b						

start here 

Find the major scale where the IV chord is E major and complete the diatonic chart below.

Roman Numeral				IV			
Fifth							
Third							
Root							
Chord				<i>Emaj</i>			
Scale							

Progression Investigation

Determine the keys of the chord progressions and write in the Roman numerals in the spaces next to the chord symbol. Circle the method that you used to find the parent scale for each example.

Cm _____ **Ab** _____

What is the key of this song?

Cm _____ **Bb** _____

Even though it isn't long.

Key: _____

Investigation Method:

circle the method used to find the key

Consecutive Chord Qualities

Circle Progression

Bm _____ **Em** _____

How about this one?

Am _____ **D** _____

It might be a little harder to do.

Key: _____

Investigation Method:

circle the method used to find the key
