

Frets, Steps, + Low Notes

Name: _____

- Write in the letters of the musical alphabet from A → A.
Identify the intervals (half steps + whole steps) between each letter.

- Answer the following questions about intervals and fret lengths

How many fret lengths are in a half step? _____ whole step? _____

Do you shorten or lengthen the string when you go up a fret? _____

What fret is note D on the A string? _____

- Write in the letters and ranges for the notes low E through middle E inside the circles on the chart. Abbreviate low with the letter "L" and middle with the letter "M". Some circles will not be used.
